

Marine Habitat
Conservation &
Restoration

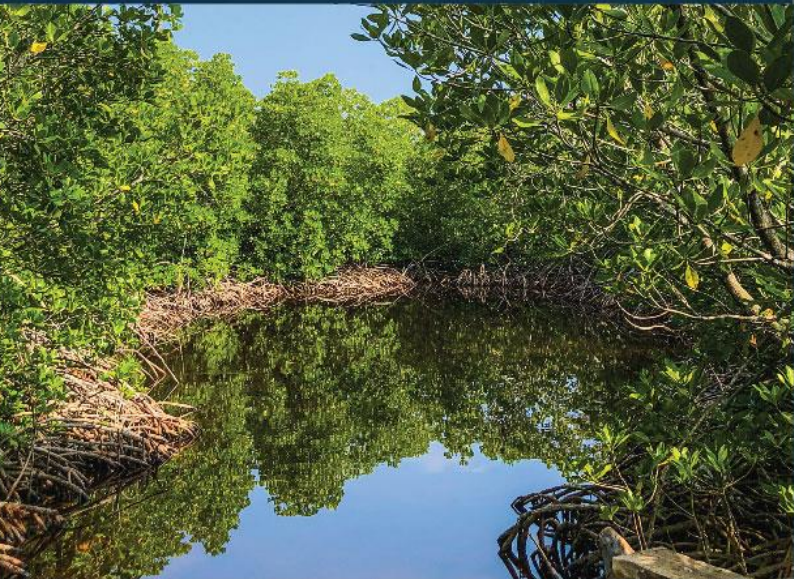

MARINE HABITATS

**PRACTICAL TRAINING
CATALOGUE**

Marine Assessment & Monitoring

1. Scoping and marine environmental assessment
2. Marine and coastal environmental monitoring
3. Ecosystem Management
4. Marine Pollution Management

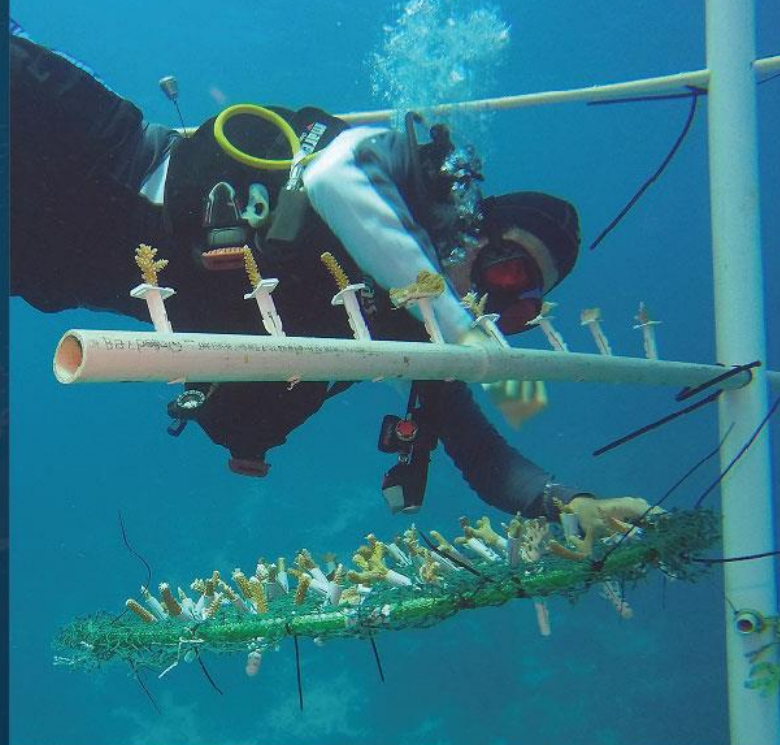

Mangroves

1. Mangrove Nursery
2. Mangrove conservation
3. Mangrove restoration
4. Establishment of
5. No-Logging Zones

Corals

1. Establishment of No -Take Zones
2. Information dissemination on coral reef biology and conservation
3. Establishment of No-Take Zone
4. Establishment of Marine Protected Area (MPA)
5. Planning a coral nursery restoration
 - Ground-based coral nurseries
 - Floating nurseries
 - Tree-shaped coral nursery
7. Preparation of coral nubbins
8. Construction of coral trays and transport units
9. Coral transplantation

Seagrass

1. Seagrass conservation
2. Seagrass restoration
 - Deployment of seagrass seed bags
 - Seagrass replanting
3. Establishment of No-Anchor Zones
4. Establishment of No-Sewage water dumping zones

Sand Dunes

1. Coastal dunes restoration
 - Revegetation of native species
2. Deployment of sandbags as dune retainers
3. Establishment and maintenance of nursery for coastal plants and transplant seedlings produced

Seaweeds & Kelps

1. Seaweeds or Kelp Forest conservation
2. Seaweed or Kelp Forest restoration
3. Seaweeds or Kelp Nursery using marine permaculture principles

Shellfish

- Shellfish conservation project
- Shellfish seeding project
- Installation of shellfish reef unit
- Pearl oyster seeding restoration project

Invasive Species Management

- Invasive species management
- Eradication of crown of thorns

Diversity Enhancers

- Construction and installation of diversity enhancers

Marine Animal Rehabilitation

- Breeding and propagation of marine animals
- Sea turtle hatchery operation
- Maintenance of pearl oyster hatchery and grow-out

Stranding & Rehabilitation

- Marine mammal stranding event and rehabilitation
- Non-mammal marine animal stranding event and rehabilitation
- Marine wildlife stranding
