What Couples Say About Sol

The team at Sol Gardens were absolutely incredible. I cannot recommend them more highly. Fantastic communication, ensured every little detail was perfect on the day, and have so many wonderful inclusions in their package (tables, chairs, napkins, arbour options, champagne tower, shot wall, candles, easels & more). They really do it all — you just get to add the little touches that make your day more “you”. They work with you to ensure they match your vibe and the day runs smoothly. Our wedding day was torrential rain all day, but it did not ruin our day, not even one bit! They wait til the last moment to move the ceremony, and their indoor options are incredible. Our reception was in the indoor marquee, which looked gorgeous overlooking the gardens, and our garden party moved to their beautiful undercover area. Nothing felt like too much. They made our day incredible. The bump in/bump out process was simple, and the shuttle buses made for a smooth arrival and exit. I loved this venue so much and I’m so thankful we chose to have our special day here.

– Daniella and Caine

Sol gardens is an absolute dream. From the moment we entered the venue, we knew that was the place we wanted to get married. Catherine and her team are amazing to work with and without them, I don’t think we could have pulled off the most magical day. they really care about you and will go above and beyond with whatever you need. I highly recommended having your special event there. you will be over the moon with your decision.

– Jessica & Oliver

Sol gardens was the perfect wedding venue. Our guests loved the atmosphere of the cocktail style event and indoor/outdoor areas for mingling. The staff were incredibly accommodating in the lead up as well as fabulous at assisting to coordinate our day. It was fantastic to be able to choose our own vendors and drinks to match our style.
