What Couples Say About Sol

Kat and I just got married at Sol Gardens and we are overwhelmed with how beautiful the venue was and how amazing the staff were. Yes there were communication issues in the beginning of our journey, due to staff changes, however they were quickly resolved and nobody would have known on the day. 80% of our guests flew in from around the world so we wanted to give them a good time and the Sol Gardens team certainly did that. Every photos taken has an amazing backdrop as the venue is literally in a rainforest garden. Would recommend!

- Katherine & Martin

Sol gardens is an absolute dream. From the moment we entered the venue, we knew that was the place we wanted to get married. Catherine and her team are amazing to work with and without them, i don't think we could have pulled off the most magical day. they really care about you and will go above and beyond with whatever you need. i highly recommended having your special event there. you will be over the moon with your decision.

- Jessica & Oliver

Sol gardens was the perfect wedding venue. Our guests loved the atmosphere of the cocktail style event and indoor/outdoor areas for mingling. The staff were incredibly accommodating in the lead up as well as fabulous at assisting to coordinate our day. It was fantastic to be able to choose our own vendors and drinks to match our style.
